POSITIONS OF RESPONSIBILITY

TCET NSS UNIT

Volunteer

As a volunteer I had participated in various projects which were conducted keeping social welfare and social services in mind. As NSS focuses on Education, Environment, Health and Society so our task focuses on it as well.

Abhivarg TCET (Magazine)

Designer

As a Designer I have been assigned tasks like working on the Design's of frontend, backend and theme. It also includes to design posts for their social media page.

TCET

DTP

Since this task was to showcase activities of how each subjects works so I worked on Corel draw software for making banners for displaying them.

I was PR of TCAP a College videography committee. My task as a PR includes to maintain the social media account, from uploading stories, creating posts/content and being a part of event's organised by the committee.
